No, no, no, no, no, no, no, no, no, no, no, no, no, no, no! I won't do it, I won't do it, I won't!

*He turns to look at an imaginary metal flagpole beside him.*

You can't tempt me oh cold and silent one. You stand there so straight and tall, holding your flags day after day. (*turning his back*) I am not tempted. I don't do these types of things. I know what happens. (*turning to the pole*) I KNOW science. Hot and cold. Water and ice. I'm on it. You can't fool me. Every year there is a story of a reckless youth, a foolish stupid boy, someone who couldn't say no like I can. I know what will happen. (*holding up hand up to the flagpole*) You're wasting your time and your taunts. Taunt me no more.

*CHILL stalks away but then stops. He slowly turns to face the flagpole.*

But. What. If. It's. Not. True? What if they're just stories? Fabrications? Lies? Your cold and silent stature is a façade? A ruse? The whole frozen tongue thing is just an old wives' tale? What if I stick out my tongue and it doesn't... stick? What if nothing happens? It's tempting. Very tempting.

*(turning away)* I won't do it. I won't do it. *(turning back)*  
I'm not going to do it.

*He slowly sticks his tongue out. It instantly  
becomes stuck. He can't move. He speaks with  
his tongue stuck.*

Oh crap. 🐞
